

# Hello Beautiful

## WHAT TO EXPECT AT YOUR WEDDING

---

We are so happy to see you very soon as we get back to doing what we love! In order to prioritize the health and safety of clients and ourselves, we are adhering to the following new protocols until further notice. Please take a moment to familiarize yourself with this information and let me know if you have any questions. All information shared here compliments the guidelines previously set forth by our city.

- Each artist must be able to set up their workstations **at least 6 feet** apart from others.
- An **extra 15 minutes** will be scheduled between appointments so that artists can deep clean their workspaces.
- Artists will be wearing **face masks** during the full duration of each job.
- Clients are required to **wear face masks** that cover the nose and the mouth, except for when they must remove them in their makeup application. Exceptions can be made for those with medical conditions or disabilities that prevent them from safely wearing a face covering.
- If you are experiencing **COVID-19 symptoms**, you must not report for beauty services.
- Be sure to have any **Inspiration photos** saved on your device prior to the appointment; artists will not be touching any phone/device during services.
- Please note that you may be asked to apply your own **lip color** which your artist will provide using a disposable applicator.
